## INTERNATIONAL

In partnership with our long standing client **denim Air** we are pleased to announce that due to continuous expansion we are looking for the following pilots:

- Captains (F-50 Amsterdam)
- Captains (DHC-8 Spain)
- First Officers (F-50 Amsterdam)
- First Officers (DHC-8 Spain)

We can offer short to medium/long term assignment on either a contract or permanent basis, with excellent terms and conditions on offer. Ideally JAR-FCL licenses are required, however certain ICAO licenses can be validated. All pilots must have the right to work in the EU.

Europe's leading ACMI/wet lease regional aircraft provider and now in it's 11th year of successful operation, denim Air based in Hoofddorp has supplied many regional and legacy carriers in Europe, Africa, and the Middle East with tailor made cost effective solutions on short, medium and long term operations. A very loyal customer base has seen many operators return to denim Air who are well known for their excellent safety and on time record, and their meticulous commitment to detail.

To apply please send in your resume to [info@brookfieldav.com](mailto:info@brookfieldav.com) or call **+44-1372-747044** for a more detailed discussion.
